Founder: Prof. Dr. S. B. Mujumdar, M. Sc., Ph. D. (Awarded Padma Bhushan and Padma Shri by President of India)

Experiment-8

The screenshot shows a web browser window displaying the 'FitZone Gym - Admission' form. The form is titled 'Gym Admission' with the subtitle 'Start your fitness journey today'. It contains several input fields: 'Full Name' (filled with 'SHRUTI BAWANKAR'), 'Email Address' (filled with 'shruti.bawankar@ g.a il.com', showing a validation error 'Please enter a valid email address.'), 'Mobile Number' (filled with '407052114', showing a validation error 'Mobile number must contain exactly 10 digits.'), and 'Age' (filled with '-10', showing a validation error 'Age must be between 10 and 100.'). There is also a 'Membership Plan' dropdown menu with options: 'Select your membership', 'Monthly', 'Quarterly', and 'Yearly'. The 'Select your membership' option is currently selected. On the left side of the form, there is a section titled 'FITZONE' with the tagline 'TRAIN • SWEAT • ACHIEVE' and the main heading 'Build Your Stronger Self.'. Below this, there is a paragraph: 'Take the first step toward a healthier, stronger and more confident you.' and three bullet points: 'Premium Equipment' (Train with modern equipment.), 'Expert Training' (Achieve your fitness goals.), and 'Flexible Plans' (Choose a plan that suits you.).

The screenshot shows the same web browser window displaying the 'FitZone Gym - Admission' form, but now in a successful state. The 'Full Name' field remains 'SHRUTI BAWANKAR'. The 'Email Address' field now contains 'shruti.bawankar@gmail.com'. The 'Mobile Number' field contains '4070521148'. The 'Age' field contains '20'. The 'Membership Plan' dropdown menu now shows 'Quarterly' as the selected option. A large orange button labeled 'Join FitZone →' is visible. At the bottom of the form, a green message box states: '✓ Welcome to FitZone! Your admission form has been submitted successfully.'

Result: Successfully designed a Gym Admission Form with live validation using HTML, CSS, and JavaScript events.
